★★★★★ 3 weeks ago **NEW**

I have been pursuing a Advance Excel (**Data Analyst**) at Ducat IT Training School in Noida, Sector-63, and it has been a fantastic experience thus far. The advance Excel faculty, Diwakar Sir, is an exceptionally thoughtful teacher who carefully crafts his lessons. His teaching style is engaging, and the material he presents is highly useful. He demonstrates great patience with all his students, always encouraging them to try their best. I would enthusiastically recommend Ducat IT Training School to anyone interested in pursuing **Data Analyst** Course.

I am Pursuing **Data Analytics** Course from Ducat IT Training School and it has been a great experience till now.

Mr Divakar sir is a very supportive teacher & friendly. I am having a great time learning Python. The way Divakar sir teaches really helped me to have a better understanding of all the concepts . He provides in-depth knowledge about all the topics. He clears all doubts in a very easy way. Thank you sir for guiding me.
